

EuropeOn Annual Conference 18 November 2020 - online

- **Morning session:** *from 10 AM to 11:30 AM CET*

Welcoming words from EuropeOn President Gérard Constantin

I/ Renovating with Skill: switching on the Renovation Wave thanks to a modern electrical trade

Alison Crabb (DG EMPL – Head of Unit): Introducing the Pact for Skills

Stefan Moser (DG ENER– Head of Unit): Skills as a pillar of the Renovation Wave

Pernille Weiss (MEP): Skills and SMEs in the Renovation Wave

Aurélie Beauvais (SolarPower Europe – deputy CEO): At the crossroads of Skills and an ambitious Renovation Wave: deploying solar in Europe

Martin Bailey (Chairman of EuropeOn’s Working group on Value chain): Lessons learnt from our Skills4Climate campaign for the post Covid times

Short presentations followed by a Q&A session (of roughly 30 minutes)

- **Afternoon session:** *from 1:30 PM to 3:00 PM CET*

II/ Consumer empowerment in the shift to zero-emission mobility: lessons learnt from the ground

Dario Dubolino (DG MOVE – Policy Officer): State of play of AFID revision, upcoming Strategy, and charge point rollout across EU

Ismail Ertug (MEP): Constituents’ expectations from EU mobility policy and how can e-mobility answer those needs

Alexander Neuhäuser (EuropeOn member, Deputy Managing Director of ZVEH): Electromobility - opportunities and contribution of the electrical contractors

Olivier Toggenburger (Park’n Plug, Business Developer): Challenges and solutions to engage consumers in the energy transition through e-mobility and self-consumption

Julia Poliscanova (Transport&Environment – Senior Director): How can EU policies ensure a smooth transition (for consumers) towards zero-emission mobility

Casto Cañavate (KNX – Marketing Manager): Bridging the gap between smart buildings and e-mobility

Short presentations followed by a Q&A session (of roughly 30 minutes)

2:55 PM: concluding words from EuropeOn General Secretary Julie Beaufiglioli
